DICTIONARIUM ETYMOLOGICVM LATINVM, ANTIQVISSIMVM & novissimum nunc demum infinitis penè laboribus & continuis vigiliis compositum & absolutum à FRANCISCO de Sacra Quercu.

OR,

A DICTIONARIE DECLARING THE Etymologies, the Originall and derivation of all Words used in any Latine Authors, with the reason of their Derivations and Appellations; never any in this kinde extant before.

Whereunto, besides the hard and most usefull words in Divinitie, Philosophie, Physicke, and Logicke, are added many thousand other words out of the Civil and Canon Lawes, Glossaries, Criticks, and other approved Authors, old and new; with their Greeke in more exactnesse than ever was in *Calepine, Morellus*, or any other: and also the Coines, Measures, Weights; and many other usefull Additions, as will appeare in the Epistle to the Reader, and better in the worke it selfe.

Hereunto is also annexed the Proper Names, adorned with their Etymologies; illustrated and explained with Histories, Proverbs, Mythologies, &c. Together with the Chronologie of the Persons, and the beginning of noted Cities, and plantation of sundry Countries; the Geographie, and the Names both antient and new, of the most remarkeable Places.

Lastly,

RIDERS Dictionarie, (*i.*) the English before the Latine, compiled by RIDER, is augmented with many hundreds of Words, both out of the Law, and out of the Latine, French, and other languages, such as were and are with us in common use, but never printed until now, to the perfecting of the worke.

Now the fifth time newly corrected, and very much augmented by the great industrie and paines of FRANCIS HOLY-OKE.

LONDON.

Imprinted by *Felix Kingston*. 1639.
